At the request of Billy Pugh Co. Inc, WCN 485252, ABS did review the manufacturing documentation for the subject serial numbers. This unit is considered to be a unit certified transfer device based on manufacturing documentation provided. The assembled units as indicated herein were tested in facility by static load testing to 125% rated load.

Closing Paragraph:

A certificate has been issued in association with this report. The component/equipment was surveyed in accordance with the Rules, specifications, and approved drawings, as applicable, and is eligible for installation on board an ABS classed vessel subject to satisfactory installation and testing, as necessary.
